I was made for lovin' you baby
You were made for lovin' me

Cut my life into pieces
This is my last resort

You won't break my soul
You won't break my soul
You won't break my soul
You won't break my soul

I feel the rush. Addicted to your touch.
Oh I feel the rush, it's so good, it so goooood

How long, how long will I slide
Separate my...

I'm blue
Da ba dee da ba di
Da ba dee da ba di
Da ba dee da ba di
Da ba dee da ba di

Come on, shake your body baby, do the conga
I know you can't control yourself any longer

Dance Dance, we're falling apart to half time
Dance Dance, and these are the lives you love to...

Body on my, losin' all my innocence, yeah
Body on my, grindin' on my innocence, yeah

Biggie, Biggie, Biggie, can't you see?
Sometimes your words just hypnotize me
And I just love your flashy ways
Guess that's why they broke, and you're so paid

Shot through the heart, and you're to blame
You give love a bad name

...Control yourself...a family of trees wanting to be...

Dance, dance the night away
My heart might be burning but you won't see it on my face

Gotta have some hot love baby this evening
I need some hot stuff baby tonight

Now watch me whip
Now watch me Nay Nay
Now watch me whip, whip
Watch me Nay Nay

It's too co-o-o-o-old for you here
and now...

I tried so hard and got so far
But in the end it doesn't even matter
I had to...

Well it's just like the ocean under the moon
It's the same as the emotion that I get from you

We're up all night til the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky

**Say my name say my name If no one is around you
say baby I love you If you aint runnin**

Oh my god, oh my god
this feeling's just begun
Sayin things I've never said,
doin things I've never done

**I've just seen a face I can't forget
The time or place where we just met
She's just the girl for me and
I want all The world to see we've met**

Girl put your records on,
play me your favorite song
Just go ahead let your hair down

**Love Vermont but it's the season of the sticks and I
Saw your mom and she forgot that I existed and it's**

Doo doo doo....

**How will i know if he really loves me
I say a prayer with every heart beat**

Oh I wanna dance with somebody
I wanna feel the heat with somebody

**In too deep and I'm trying to keep
Up above in my head instead of going under**

One kiss is all it takes,
fallin in love with me
Possibility, I look like all you need

**Now I've got you in my space
I won't let go of you**

Baby, I've been, I've been playin' hard
Said no more countin dollars,
we'll be, we'll be countin stars

**I came in like a wrecking ball
I never hit so hard in love**

Spin me right round baby,
right round like a record baby
Right round, round, round

**So raise your glass if you are wrong in all the right ways
All my under dogs, they will never be, never be**

Ooo eee ooo I look just like Buddy Holly
Oh Oh and your Mary Tyler Moore

3:59

**We found love in a hopeless place
We found love in a hopeless place**

Party Rocker is in the house tonight
Everybody just have a good time

**I believe in a thing called love,
just listen to the rhythm of my heart
There's a chance we could make it now,
we'll be rockin' til the sun goes down**

Hey I just met you and this is crazy
Well here's my number, so...

**Dumps like a truck, truck, truck,
Thighs like what, what, what
Baby move your butt, butt, butt,
I think I'll sing it again..she had**

I don't think you trust...in...my
Self righteous sui...

**I can't feel my face when i'm with you
But I love it, yeah I love it**

Ba-De-Ya, say do you remember
Ba-De-Ya, dancing in September

**Baby you light up my world like nobody else
You don't know, you don't know you're beautiful**

Starships were meant to fly
Hands up and touch the sky

**Gimme gimme gimme a man after midnight,
Won't somebody help me chase these shadows away**

I wish that I could be like the cool kids
'Cause all the cool kids they seem to fit in

Ain't it fun livin' in the real world

Ain't no mountain high enough
Ain't no valley low enough

**Now they always say congratulations
Worked so hard forgot how to vacation
They ain't never had the dedication**

I got this feeling on the summer day when you were gone
I crashed my case into the bridge, I watched I let it burn

I don't wanna lose you love TONIGHT

Love me, love me say that you love me
Fool me, fool me, go on and fool me

**It's me, hi, I'm the problem it's me
At tea-time everybody agrees**

Dig through the ditches
And burn through the witches
And slam in the back of my Dragula

There she goes, there she goes again

We must be swift as the coursing river
With all the force of a great typhoon
